

GERMAN MUSTARD

Elevate your culinary offerings with The Sausage Man's German Mustard, a beloved staple in Germany. This mustard is the perfect companion to our succulent sausages, adding a distinctive zing that sets it apart from traditional English mustards. Its unique blend of spices provides a tantalising taste experience your customers will love.

Ready to use in a handheld squeezable bottle, this mustard creates quick and efficient service. Or let your customers enjoy the convenience of serving themselves. Whichever way you choose, The Sausage Man's German Mustard is sure to impress and is an essential addition to your condiment lineup.
